What can YOUR donation do for YOUR local relief nursery?

Help to nourish a child in our nursery.

- Pledging **\$12 each month**, provides milk for every child in the nursery for that month.
- A **\$7 monthly contribution** feeds a toddler in our care for an entire year.
- Donating **\$3 from each paycheck** will buy paper plates for one month, saving us labor costs if we were to hand-wash re-usable plates.

Preparing children to read takes books.

- A **\$10 monthly pledge** allows us to maintain a library of new, quality, paperback and hard-cover children's books.
- An **\$8 pledge each pay period** could help provide families with books so parents can help their children develop a love of reading.
- Having **\$5 withdrawn from each paycheck** can go a long way, as we find gently-used children's books at local yard sales and thrift stores.

Children need to explore and exercise.

- When the weather cooperates, we make sure children have opportunities to encourage their gross motor skills. A **one-time gift of \$68** would buy a child-sized picnic table, while a **\$59 contribution** would buy a canopy.
- A **one-time donation of \$10** provides a can of sunscreen, and a **monthly withdrawal of \$4** would provide a plastic pail and shovel for each toddler as well as a container of bubbles or fake snow.

Relief Nurseries depend on caring volunteers.

- When you donate **\$63**, you pay for the background check of an out-of-state volunteer. (All adults must pass this check to work with children.)
- For just **\$6 a month**, you can help sponsor our volunteer recognition activities — small events that honor those who give these children the most valuable gift one can give — his or her time.
- Your **\$2 monthly pledge** would provide training materials for volunteers.

We focus on our parents, too!

- Because most of our parents have no vehicle, they walk several blocks to and from the nursery. A **\$4 gift** provides a case of bottled water.
- Your **\$9 monthly pledge** would provide bus tokens for our parents who don't drive, or gasoline gift cards for our parents who do.
- Because seeing one's parents reading is key to developing reading skills, a **\$20 donation** provides a subscription to a magazine like *Family Fun*.

**Safe
children.**

**Strong
families.**

**Successful
community.**
